We believe all children need to know they are loved and approved of for being special and unique individuals. We respond to these needs of our children by providing a success-oriented environment.

Positive words and actions encourage each child to ask questions and make choices, to grow in self-confidence and self-control, to develop respect for self and others, and to feel the joy in and curiosity for learning.

We  
invite  
you  
to  
grow  
HERE!

We are excited about the new Contemporary Worship Space and 10 classrooms being built to serve the community. This part of the church is scheduled to open in Fall 2010.
