My child is 4. Which class should I choose? We wanted to help parents be familiar with and understand our 3 wonderful options for 4 year olds in order to make an informed decision for the upcoming school year. Below, you will find an explanation for all of our Pre-Kindergarten classes: 4A, 4B and Transitional Kindergarten. The goal of each class is to prepare all students for Kindergarten!

Pre-K: 4A

Child must be 4 by
8/31/16

Monday - Thursday
9:00 am - 12:00 pm

Cost is \$245 per month

Children may stay for lunch bunch any of these days for an additional cost of \$5 per day. This class is designed to develop pre-reading, pre-writing, and pre-math and social skills for a successful transition to Kindergarten. This class is convenient for families who do not want to commit to lunch everyday or have younger children who also dismiss at noon.

Pre-K: 4B

Child must be 4 by
8/31/16

Monday - Friday
9:00 am - 1:00 pm

Cost is \$295 per month

Lunch is part of the school day. This class is designed to develop pre-reading, pre-writing, and pre-math and social skills for a successful transition to Kindergarten.

This class is convenient for families who would like the benefits of a 5 day a week program or want to get acclimated to a longer school day before entering Kindergarten.

Transitional Kindergarten

Child must be 5 by
11/30/16*

Monday - Friday
9:00 am - 1:00 pm

Cost is \$295 per month

Lunch is part of the school day. This class is designed for children who are old enough for K, but need an extra year to mature academically, socially or emotionally. It is also intended for older 4s who have the ability to participate in activities that require a sustained amount of time to focus & sit still. Self-control is necessary during whole group & small group instruction. Free time & centers are part of the school day, but children are also expected to sit quietly more frequently as well as participate in more writing & literary based activities.

Financial Policy: Tuition is paid for 9 months, September - May and is due the 1st of each month. December's tuition is paid in advance to hold your place. The "Advanced December Tuition" may be included with your Registration Fee or it may be paid according to the following schedule:

- One half of the Advanced Tuition or \$100, whichever is larger, must be paid for each child by the end of the month following registration.
- The balance of the Advanced Tuition must be paid by the end of the second month following registration.

* When a child enters Transitional Kindergarten directly from 3A or 3C, SFYC reserves the right to move him/her to 4A or 4B if it becomes apparent the child is not developmentally ready to be successful in TK. Please ask your child's current teacher her opinion regarding your child's readiness.
